## SUMMARY

---

Motivated and adaptable Associate Software Engineer with a strong foundation in software development and problem-solving. Seeking to leverage skills in full-stack development, testing, and automation to contribute to cutting-edge solutions at Accenture while gaining hands-on experience in versatile technology environments.

## SKILLS

---

<b>Programming Languages</b>	Python, C++, JavaScript
<b>Web Development</b>	Full-Stack Development, React.js, HTML/CSS, REST API, Microservices
<b>Frameworks/Tools</b>	Django, FastAPI, Node.js, Material-UI
<b>Database Management</b>	MySQL, MongoDB
<b>Version Control</b>	Git, GitHub
<b>Cloud Platforms</b>	AWS (Basic)

## PROFESSIONAL EXPERIENCE

---

### Full-tack Developer

Kite Career, Tenkasi 05/2024 - Present

Designed, developed, and tested full-stack web applications using Python, Django, and React.js to meet client requirements. Integrated automation tools to improve workflow efficiency, reducing manual tasks by 20. Participated in peer code reviews to ensure high-quality code delivery and maintain best practices. Assisted in the configuration and optimization of PostgreSQL databases and RESTful API integration for seamless communication between the frontend and backend.

## PROJECTS

---

### Task Management Website

Developed a task management system using Django and MongoDB, allowing users to create, update, and delete tasks with an intuitive interface. Implemented user authentication and authorization for secure access. Utilized Django REST Framework to create APIs for task management, enabling real-time updates on task status and deadlines. The frontend was built with React.js, providing a responsive and engaging user experience.

### Logistics Management

Built a courier management system using Django and Django REST Framework for shop registration, user authentication, and delivery tracking with JWT-secured API access. Utilized MySQL for efficient data handling and React.js for a responsive frontend displaying real-time delivery updates.

## EDUCATION

---

**B.E CSE**, Hindusthan Institute of Technology - Coimbatore, Anna University  
CGPA: 8.18

Year: 2020 - 2024

### Higher Secondary Certificate (HSC)

Sri Kanna Matriculation Hr Sec School - Chinthamani  
Percentage: 68.6%

Year: 2020

### Secondary School Leaving Certificate (SSLC)

Sri Kanna Matriculation Hr Sec School - Chinthamani  
Percentage: 75.4%

Year: 2018
